Explorers

Explorers has a membership of thirty. This chapter is one of the largest in the state. It is also one of the most active through their help with community and charity projects. Their rewards for a job well done are to go camping in and out of sate, attend car shows and other activities geared toward young men.

French Club

"The French Club enjoyed a busy, fun, and exciting year. At each of our meetings we enjoyed snacks and an occasional speaker. One of our big events of the year was a trip to Oklahoma City for a play by Molliere. We stopped at a French bakery, La Baquette, to top off our trip. Our Christmas party was a huge success. We exchanged gifts and snacked on chocolate eclairs. To honor the new French Honor Society members we made strawberry crepes and invited the parents for the induction.

The annual Foreign Language banquet saw April Thompson crowned as French Queen.

It has been a fulfilling year and I have more than enjoyed being president of such a great club. And thanks to Mrs. Warden for working so hard."

-Shelley Bloodworth

French Honor Society

There were four new students added to the French Honor Society this year. The students are: Chris Turney, Julie Jones, Kelly Madden, and Shelley Bloodworth.

To be admitted to the French Honor Society, a student must have completed three semesters of French, be currently enrolled in French, and must have maintained an A average for the three semesters. Also their teacher must be a member of the American Association of Teachers of French.

Club De Espanol

The Spanish Club was involved in numerous activities. They had three dinner meetings. At the first meeting, Rebecca Sondon was the guest speaker. She discussed how traditional holidays are observed in Latin America and contrasted Mexican schools with the schools of the USA. In February, the internationally known guitarist and composer, Carlos Comas presented an hour of traditional Spanish songs, joined by former PVHS Drum Major, Jim Bowie.

The Foreign Language Banquet, with Spanish and French Clubs combined, was a dinner consisting of main dishes prepared from Mexican and Spanish recipes, followed by French desserts. Jennifer Coates was crowned Spanish Queen by escort Tony Marchbanks. Jennifer's attendants were DeAnn Shook escorted by John Ray, and Terri Thomas escorted by Jason Sprowls.

FTA Stays Busy

FTA has been very active this year. Their main goal was to get people to join and see for themselves just how much fun it can be. FTA's first project was entering the homecoming parade, to show school spirit.

During American Education Week they honored our teachers by having a Who's Who Teachers Contest and spent hours making cookies for the teachers. They had a few of the new teachers appear before them to talk about how it feels to be a teacher. Mrs. Woodworth also spoke to them about "What It Takes to be a Teacher."

Several FTA members went to the Chamber of Commerce to pick an angel from the Angel Tree, to help a needy family during Christmas. They also surprised Jackson School children by dressing up as Santa's Helpers and passing out candy.

The members sponsored the Dad-Daughter Basketball Game and donated the proceeds to the American Lung Association.

Reva Ford and Charlie Harding are helping bake cookies for the teachers. This was one of their many service projects.

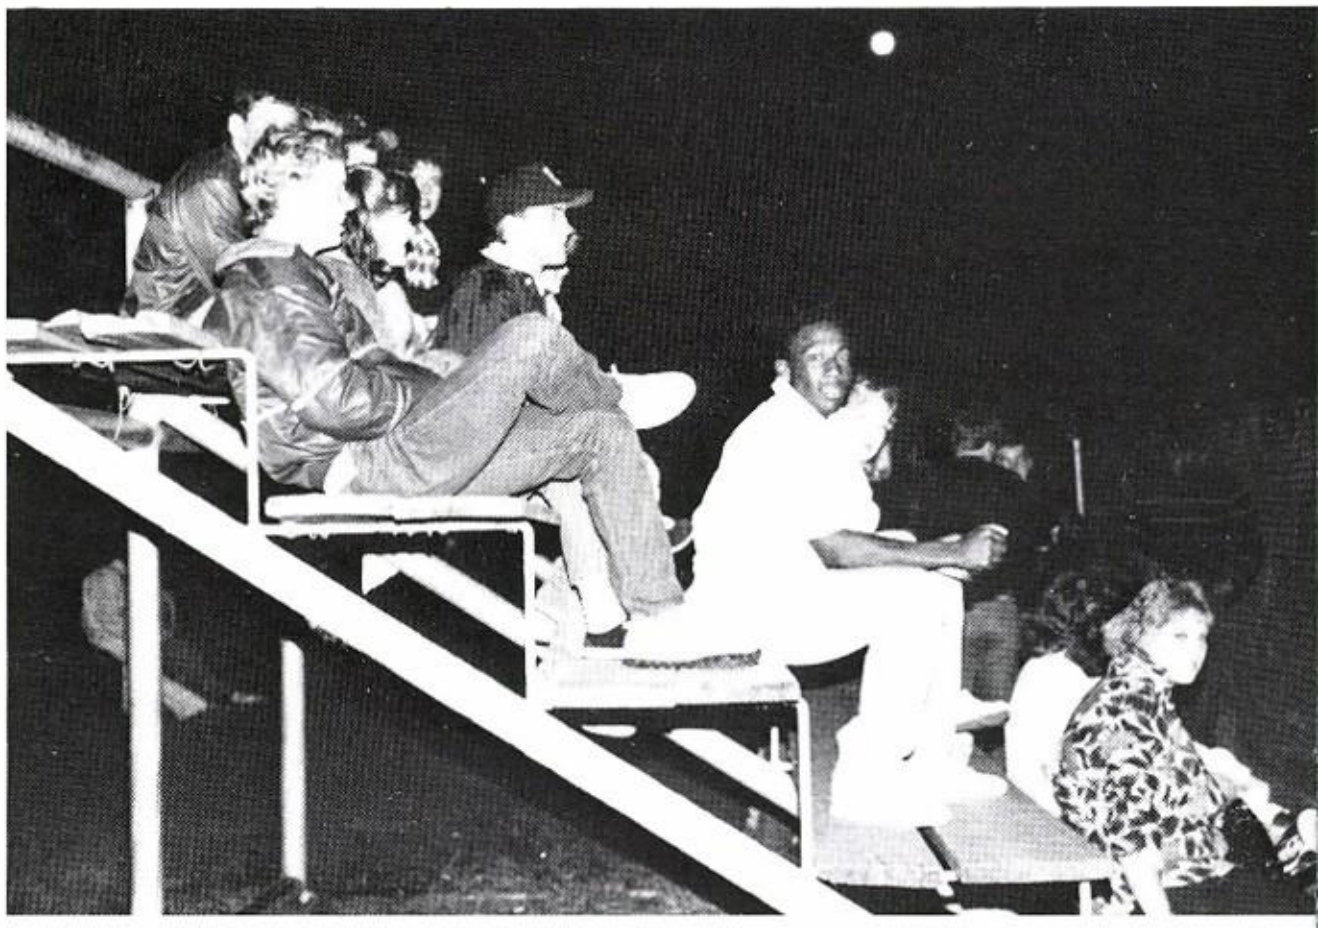
Pi Phi Pi



Hesitant to join in the fun, spectators anxiously watch the Halloween raiding.

The kids who joined in the raiding had lots of fun and lots of shaving cream.

Pi Phi Pi, being the largest organization in the school, holds many activities throughout the year. It all starts with electing officers and a back to school dance. Once the year gets started we have monthly meetings to get ideas for more activities. Pi Phi Pi takes buses to out of town football and some basketball games. We try to have a dance or another activity every month. Our Halloween idea was a raiding party. The biggest activity of the year was a formal Christmas dance and buffet with a live band, Formula Four. Thanks to the officers, parents and cheerleaders we had a super buffet. The band was great and everyone enjoyed themselves. Pi Phi Pi has a part in all homecoming festivities as we help decorate and plan them. Afterwards we help the cheerleaders sponsor a dance. Pi Phi Pi had a wonderful year and I hope all years to come will be even more so.

Shelley Bloodworth

Also a part of Pi Phi Pi the D.A.D. (Drugs are Dumb) traveling team, attended several conventions. They spoke to a group of school and community officials in Guymon about preventions and ideas for their town relating to drugs and alcohol in the school. They enjoyed speaking to these adults and hope to speak to the students at a later date. Members are, as pictured, front row - Juli Jones, Carrie Clark, Shelley Bloodworth, Julie Jones, and back row Michael Dobbins. Not pictured are Julayna Soloman and sponsor Robert Nichols.

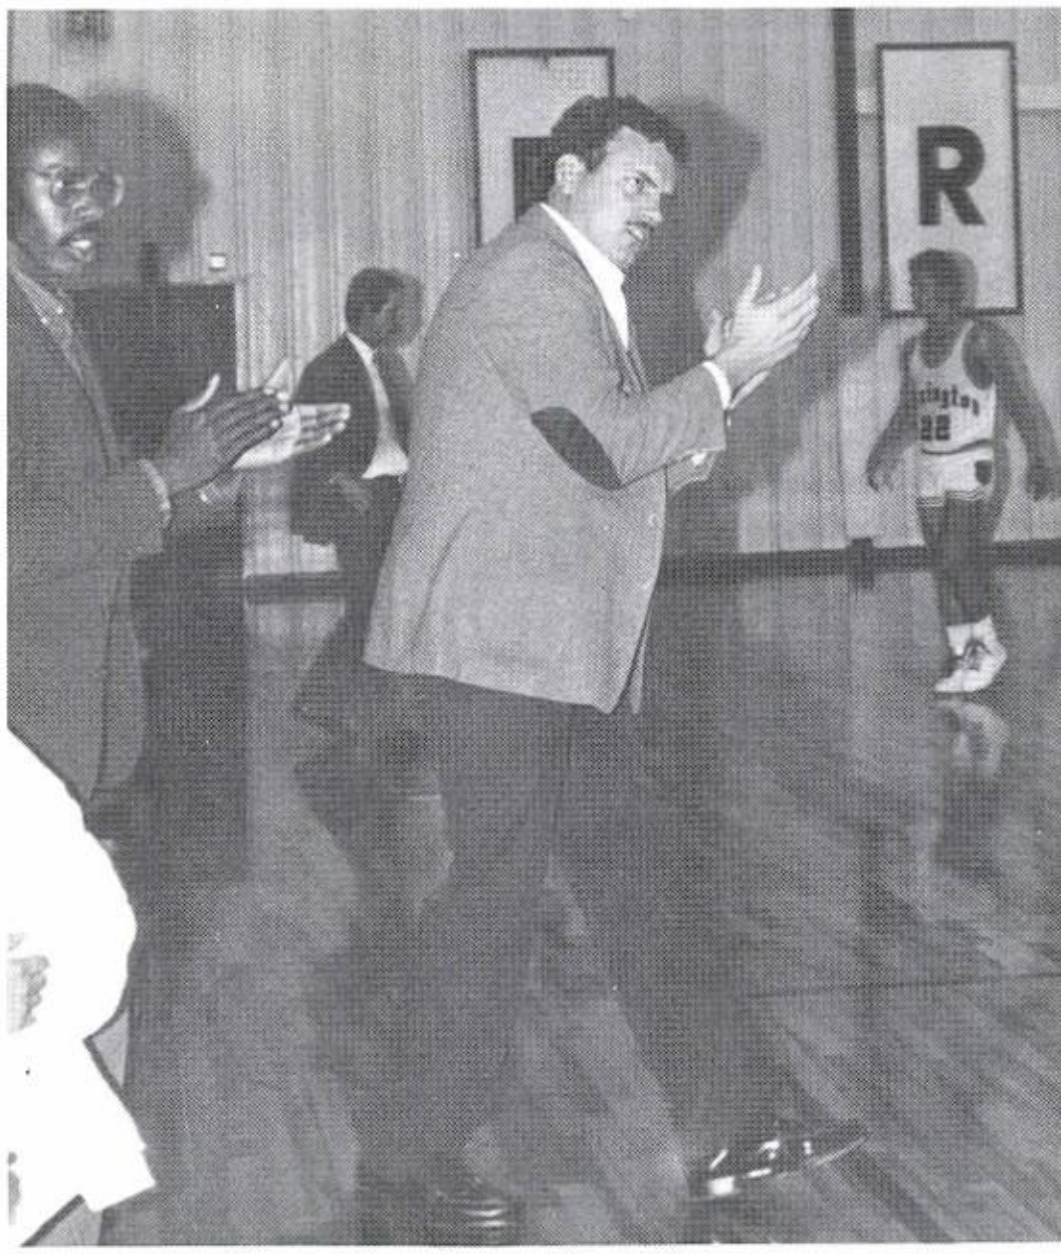
Young Team Does Well

"We had a very young team this year," said Coach Brian Sanders. "With a majority of sophomores on the squad the team overall was young. It was a very good year for these boys and they won many games. It was a chance for the sophomores to learn, the juniors to improve and for the three seniors, Corey Martin, Gary Perkinson and Kent Bowles, to lead. This group of outstanding athletes enjoyed and did well this year. We all look forward to another good season next year."



Coaches Sanders and Jackson encourage the team during a game at Lexington.

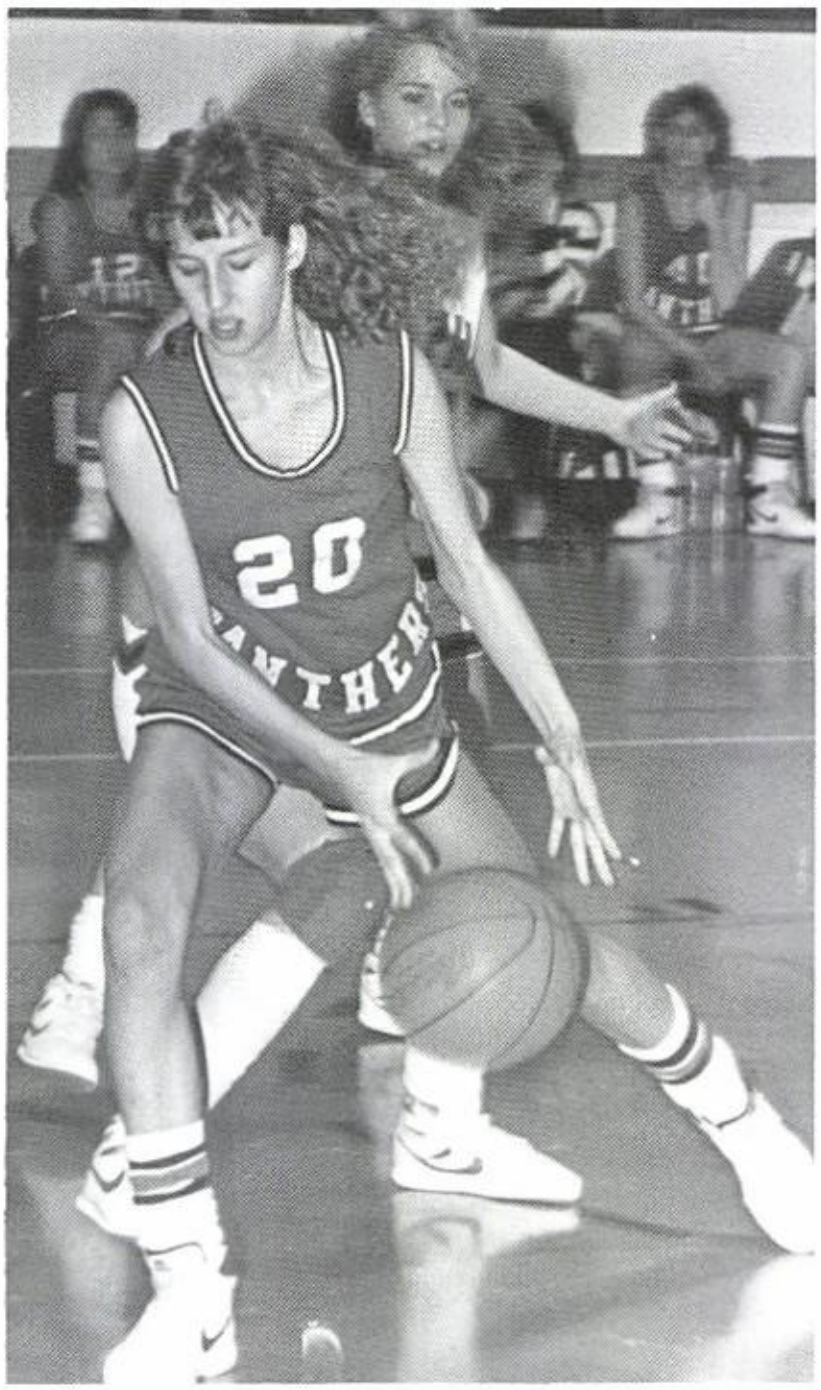
GIRLS BASKETBALL

The 1986-87 basketball season started with hours of practice in the gym. We were drilled and drilled so we could learn the plays. It was hard work but we also had some fun times. One of the highlights of the season was watching the Lady Sooners play at the Lloyd Noble Center. The same night we went to the mall and ate at El Chico. It was Pam Wayland's first time to eat "REAL" Mexican food. All in all, we had a great time and a great season. We started the season with knocks and bumps but ended up with "black eyes!" (Right, Lisa?) It all comes down to this: The season was fun, we had a great time playing together, our coach was crazy, and we will always remember being together as a team.

-Crys Smith and Lisa Bratcher

The girls are found "stretching" (we think!) before the game.



Jodi Stephens attempts to keep the ball away from a Sulphur guard as the team looks on anxiously.

Freshmen Champs

The Freshmen boys took the Washita Valley Co-Conference Championship and ended the season with a 13-3 record. Congratulations guys.

The players had many comments on their playing and their season, here are just a few:
It was exhilirating.-Brian
It was great!-Heath
Supercalifragilisticexpialidocious-Jason Pesterfield
It was like being part of an accomplishment.-Ricky
It was a good season.-Timothy
It is a good feeling. We shouldn't have been beaten.-Rusty

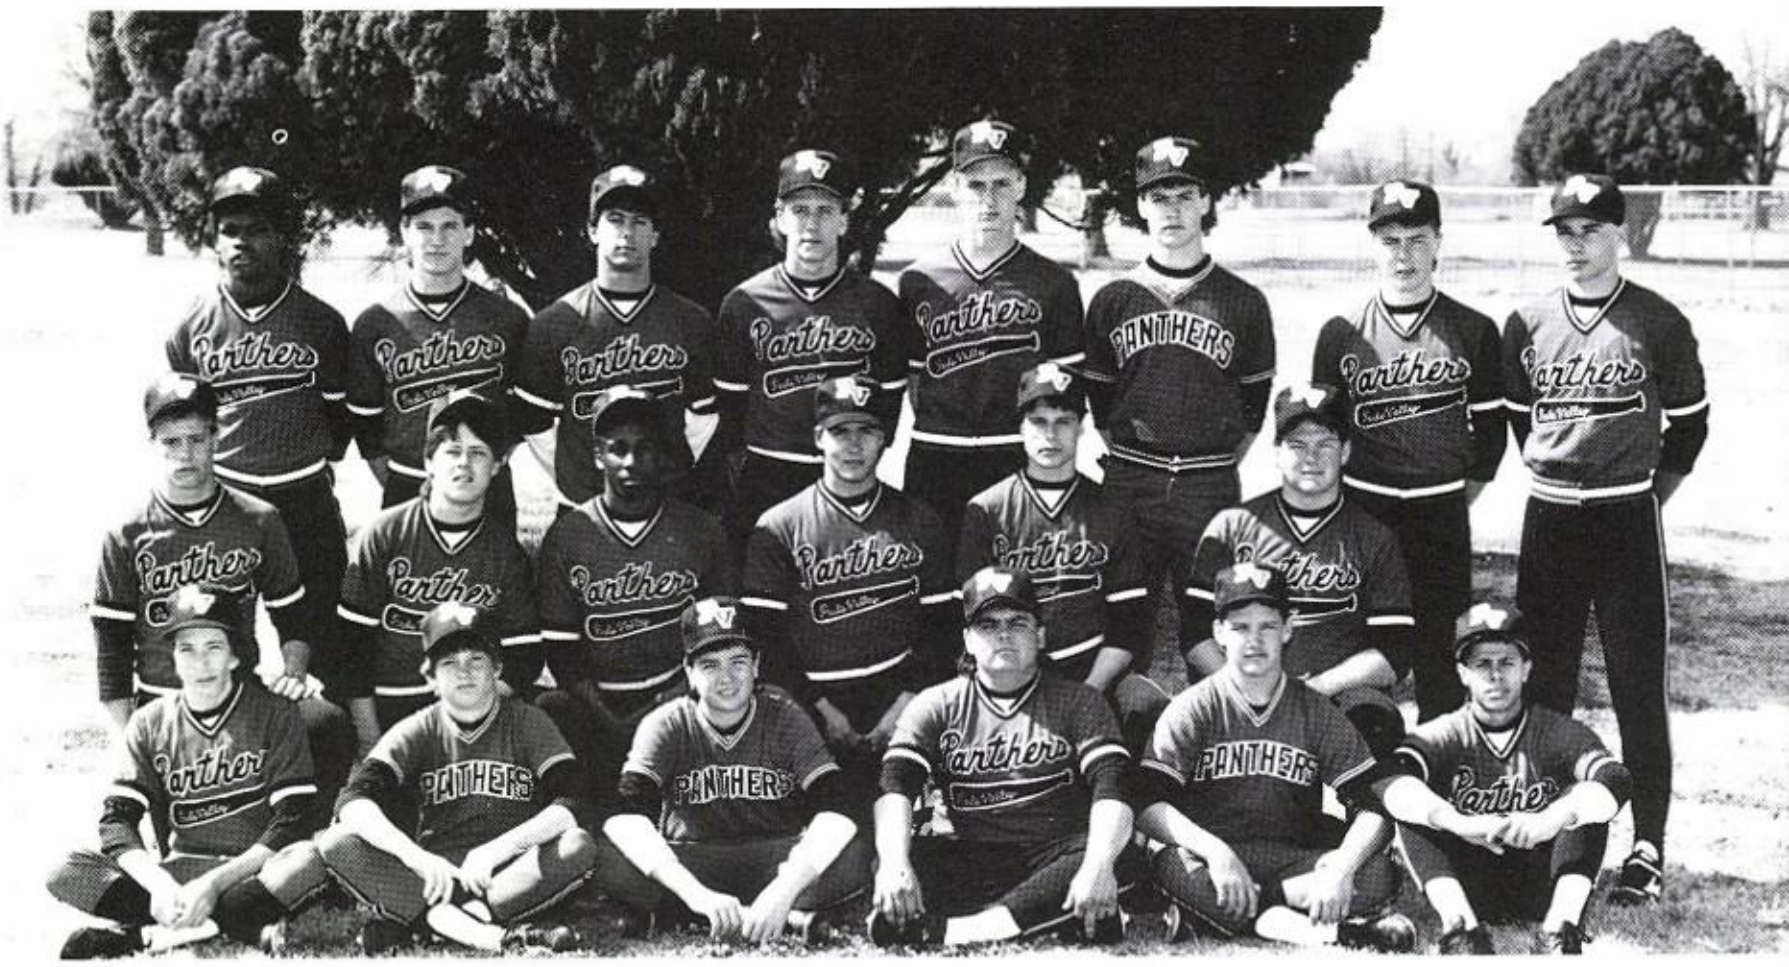
Hard Work And Aching Muscles

The Freshmen girls had a busy season. With determination, they suffered through hours of hard work and aching muscles. We would like to say thank you to these girls, for their hard work, and for their part in keeping with the Panther Spirit.



Front row: Eric Real, Jàson Fields, Kevin Collings, Russell Mitchell, Brian Thompson, Tony Marchbanks. Row 2: Mike Fisher, Doyle Duke, Steven Anderson, B.J. At The Field

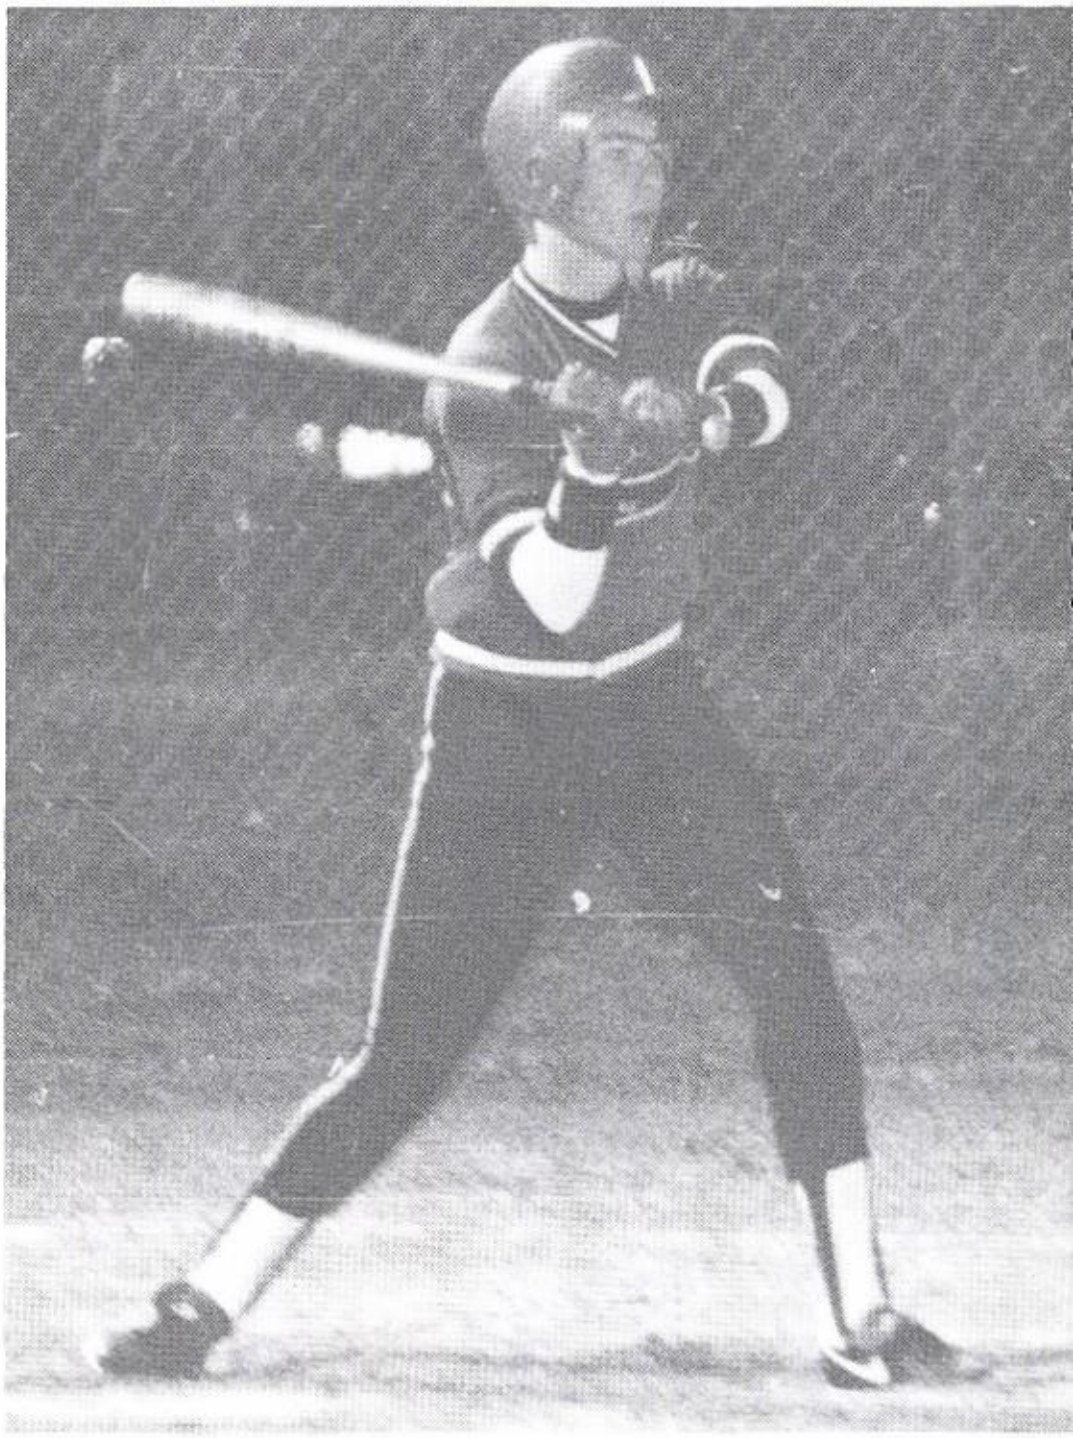
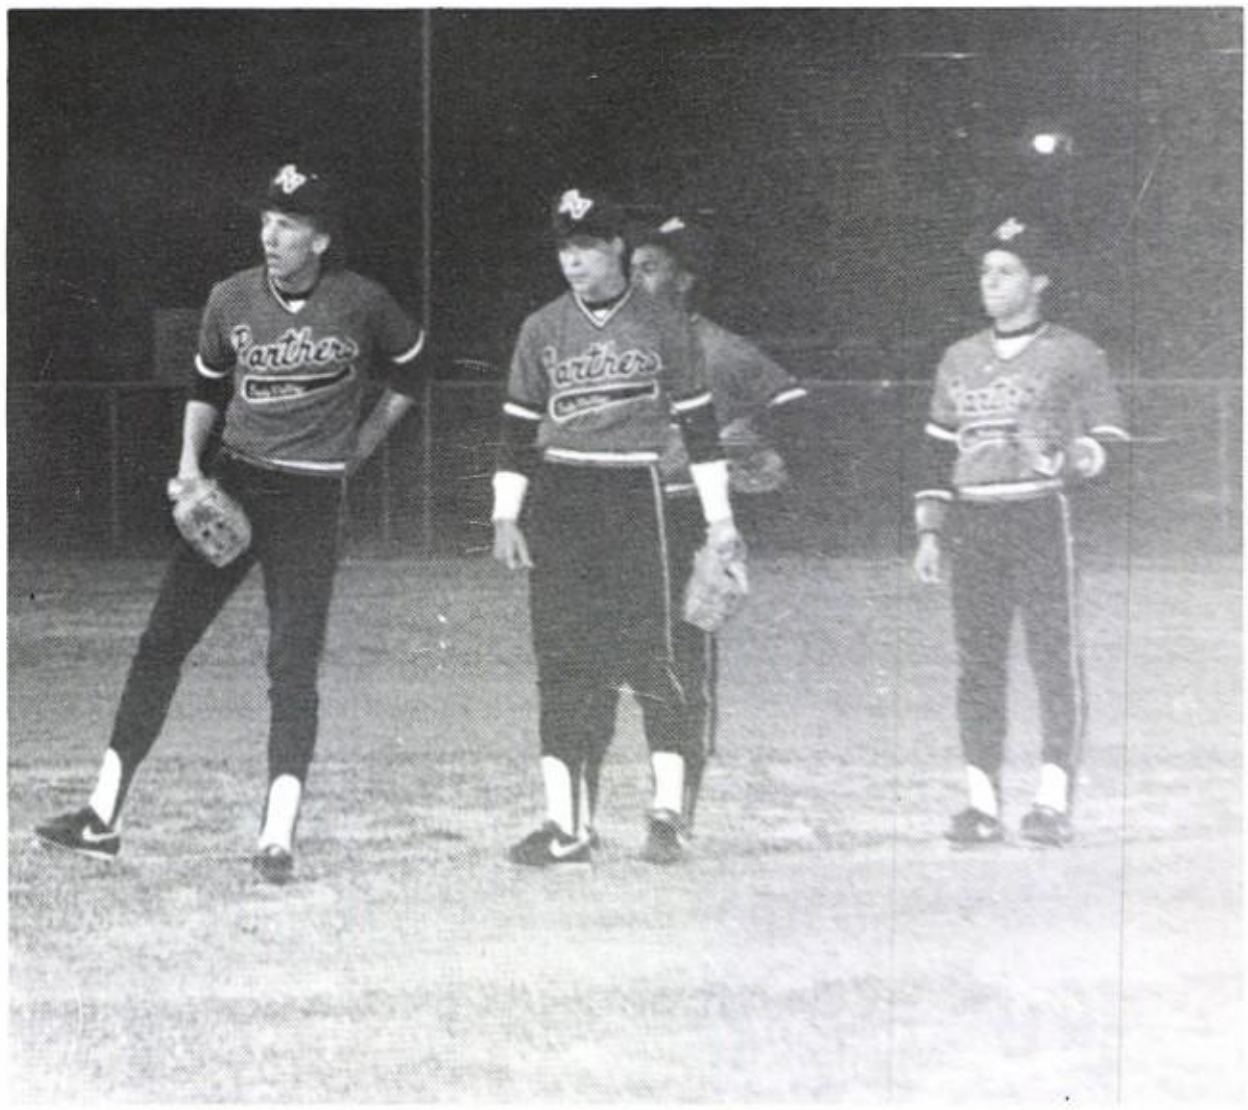
Through the sunshine and some rain the baseball team played their best. They worked very hard to make the season a good one. Giving their support to the team, the fans cheered at the victories and felt sad at the losses. The guys gave us a reason to be proud and we will never forget the good times we had at the field. The team ended the season with an 11-11 record.

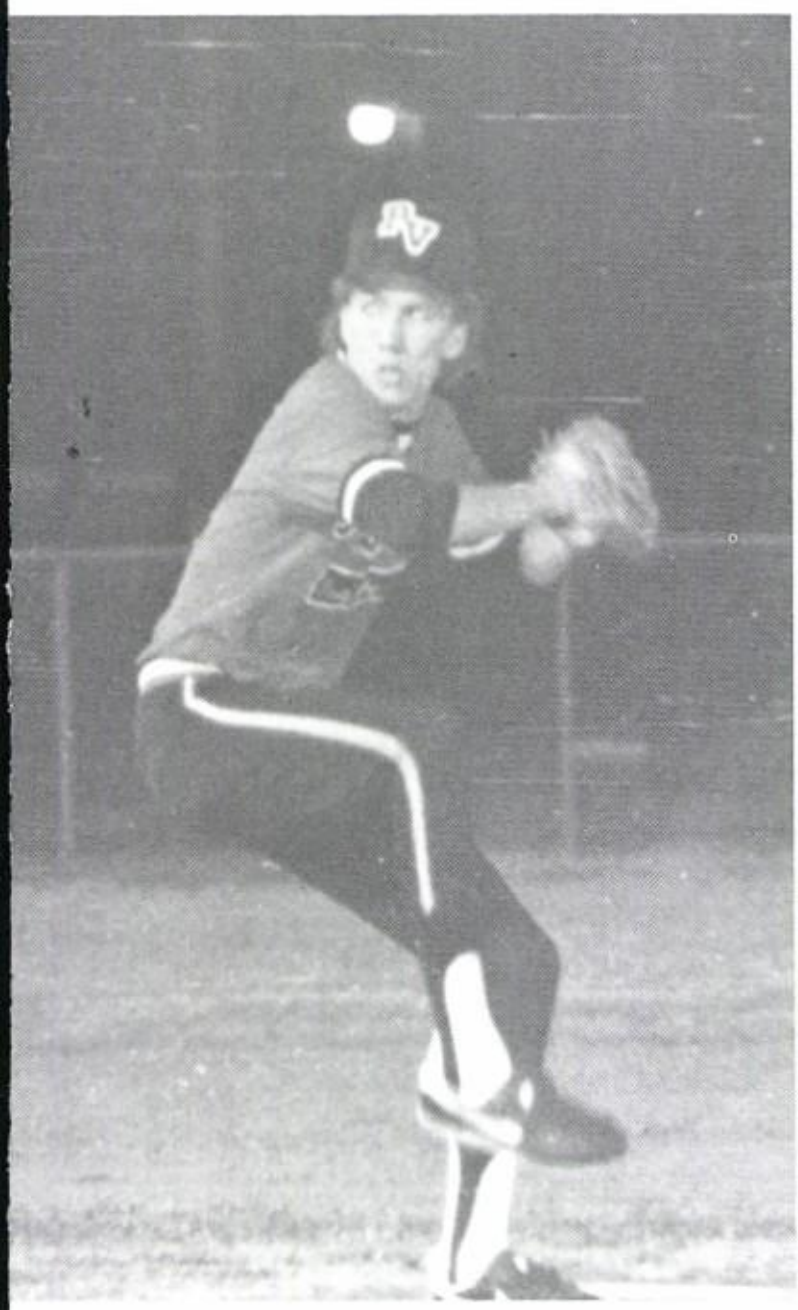


"I hate it when they pitch a slow ball", seems to be what Mike Chapman is saying.

Patrick looks enthusiastic about tonight's game.



Here are Kent, Joey, Tony, and Steven asking the question "Did you see where it went?"



He steps up to the plate, here's the pitch and its ?

In Panther

FOOTBALL

After the smoke had cleared the Panthers again had a victorious season, even though the fans grew skeptical due to the loss of some key players. "Football is a team game, not individual. A coach plays with what he has and plays it as a team," according to Head Coach Tim Reynolds. The Panthers finished the season with a record of 6 and 4.

Two-a-days are one of the most memorable times in football; the not so pleasant summer days that are mostly spent in the heat getting back in shape for the season. Here we see the players running through "Hog Heaven".

Freshmen Show Spirit Along With Improvement

The Freshman football team showed tremendous improvement from the previous year. As eighth graders, they had a one win season. This year, with the new students, they moved their record to four wins and four losses.

The team played a tougher schedule and did well. The players showed their maturity from one year to the next. The winning tradition in Pauls Valley starts at the freshman level and increases as the years go by. So far the tradition has grown to be a very important part of the community and the school. "They were an exciting and explosive football team that played sound defense," Coach Ron Gooch commented. "I see a team mature from one year to another and slowly but surely turn into winners. They're learning how to win."

Besides being winners, the freshmen were full of spirit. That played an important part in their victories. Their spirit shined through at all times, even when things weren't going their way. Now that's a great team!

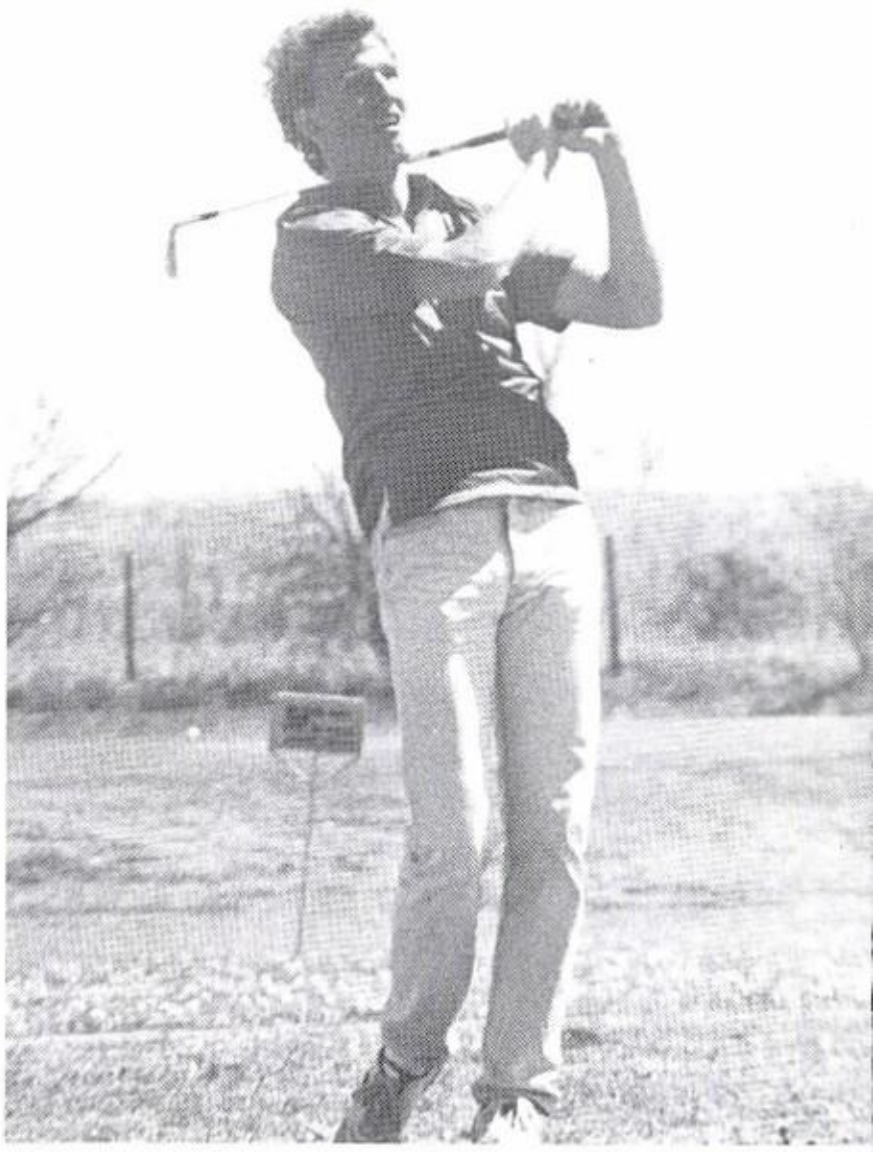
Championship Season

The 1987 golf season began March 30th at Sulphur where the Panthers won their 1st conference golf match. The Panthers returned to Sulphur for an Invitational Tournament on April 3 and come home with the championship trophy. On April 6, Pauls Valley hosted the Conference tournament and again was victorious. On April 10 at their own Invitational, they again won the championship trophy. At the last three conference matches, the Panthers come in 1st at Purcell, 2nd at Marlow and 3rd at Lindsay, leaving the Panthers with the conference championship. The regionals was held at Ada and the Panthers finished 5th. However, they did have a state qualifier, John Roberts.



Nick Turney looks as if he may be "Teed" off.

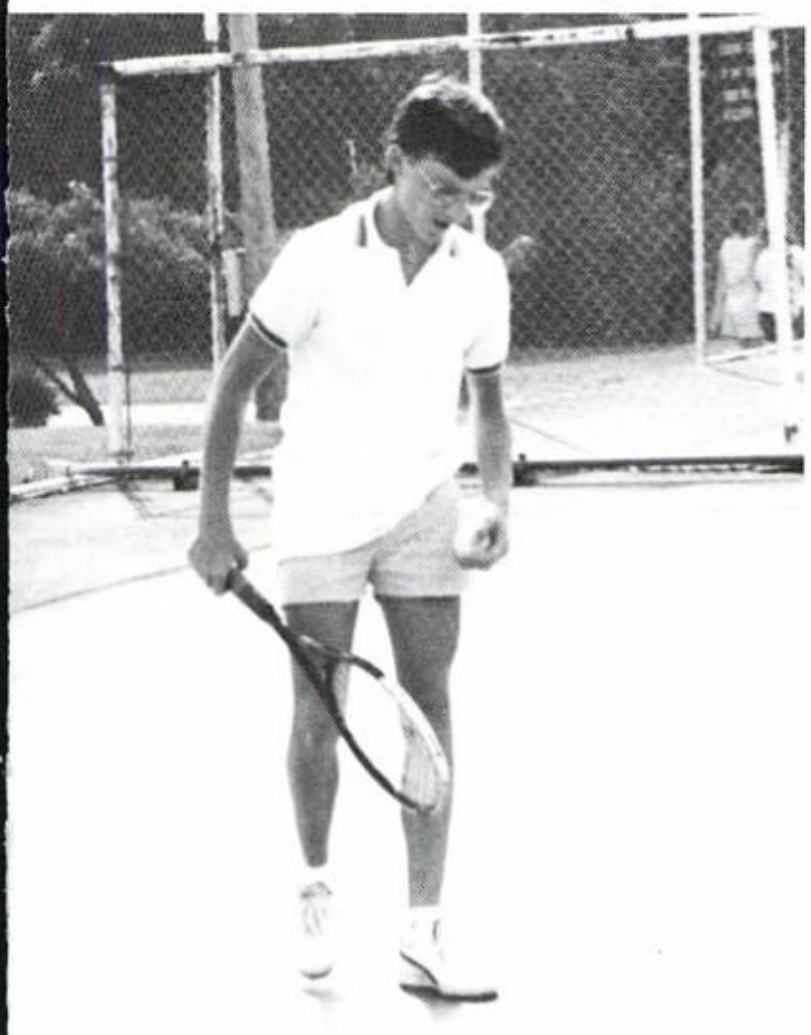
Getting Better All The Time

The Pauls Valley High School boys had an outstanding season this past year. They worked very hard all year long at becoming better tennis players and it really paid off at the State Tournament. The Panther boys team tied Weatherford for first place at the Regional Tournament held at Weatherford. All six players qualified for the State Tournament at Oklahoma City. Our team finished in 4th place at the State Tournament. The #1 doubles team of Ben Clark - James Dry were Regional Champions and finished in 4th place at State. Our #2 doubles of Stacy Brooks - Thomas Embree also were Regional Champions and placed 3rd at the State Tournament. At #1 singles Jeff Henderson came in 4th place at Regionals. At #2 singles Steve Conley came in 3rd place at Regionals. Our high school is very proud of what our tennis team accomplished this year.

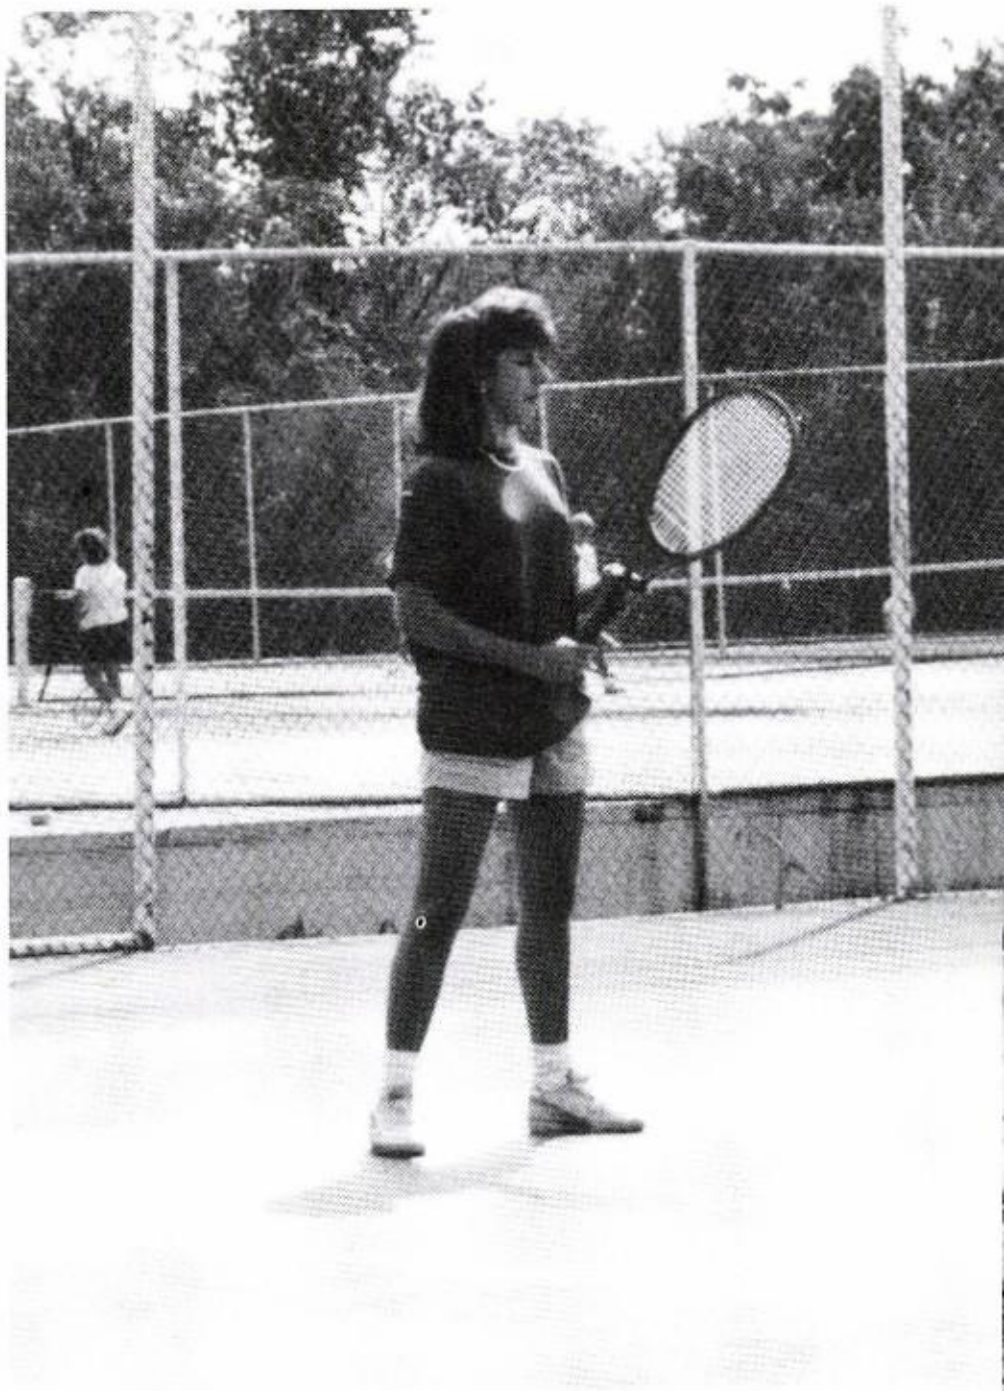


Blake Green is in deep thought because the next play will decide whether he wins or loses.

Best Season Ever

The high school girls tennis teams were Regional Champions this year. This was the first time our girls team has ever won Regionals. Our girls also came in first at the Tecumseh Invitational Tournament. At the State Tennis Tournament our girls finished in fifth palce.

Our #1 doubles team of Amy McKinley and Jamie Miller came in second at regionals. The #2 doubles team of Carrie Clark and Jennifer Pratt came in first at regionals and came in forth at the State Tournament. Our #1 singles player Gwen Friedemann came in first at regionals. Julie Jones our #2 singles player came in first at regionals and made it to the quarter finals at State. The Girls worked very hard all year long and always gave 100% effort. We at Pauls Valley High School are very proud of our tennis team.



Julie Jones is seen posed and ready to play at a Ada High Tournament.

The girls High School Tennis Team is Angela Jones, Amy Jones, Amy McKinley, Jamie Miller, Stacee Perry, Stephanie Holladay, Carrie Clark, Shelly Fuller, Robyn Ammons, Jennifer Pratt, Julie Jones, Gwen Friedemann.

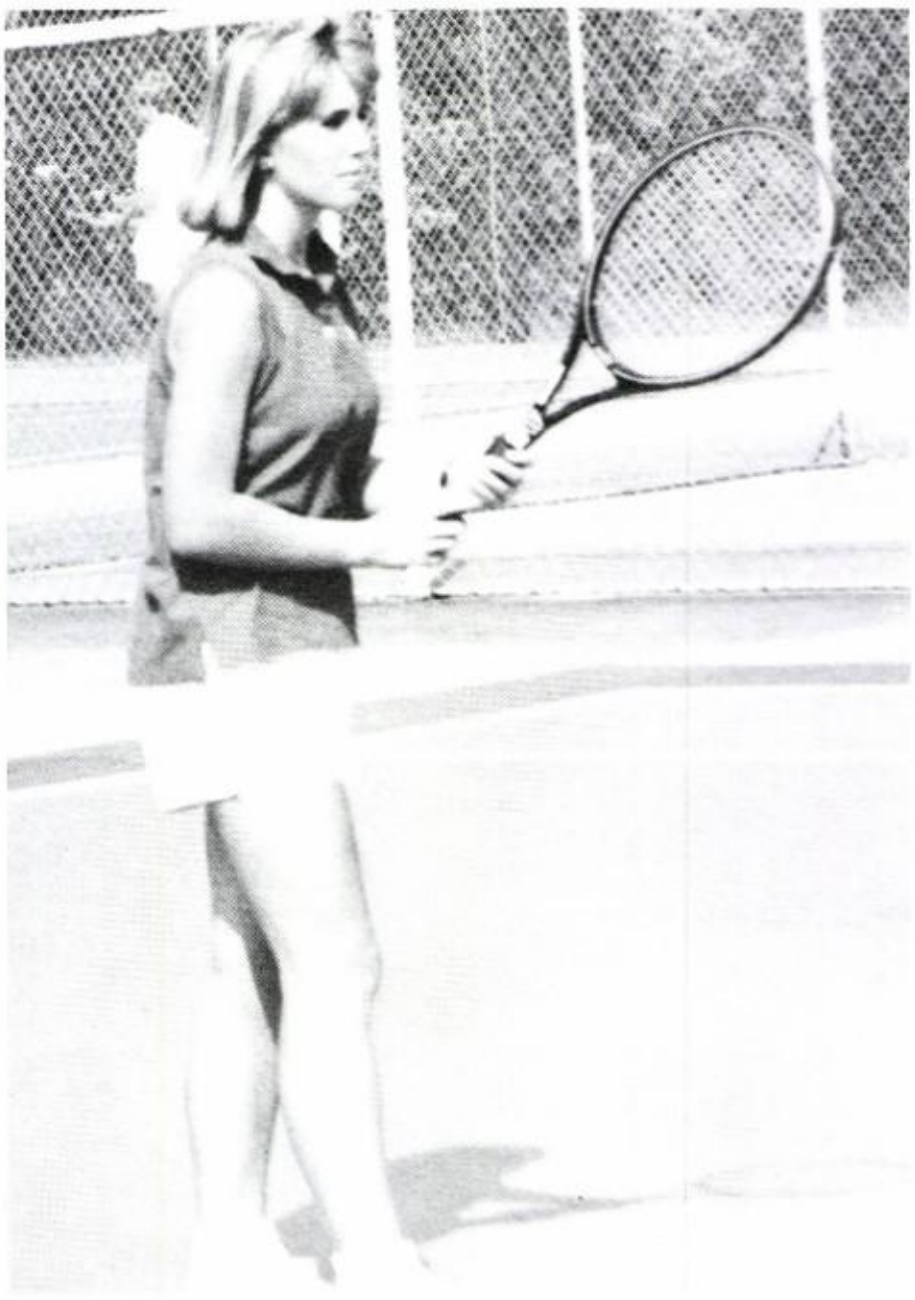
Jamie Miller and Amy McKinley were the Doubles Runner-Up at the State Jr. High tournament at Seminole.



Jennifer Pratt is concentrating on her game as she plays her opponent at the Ada High tennis match.

Boy's Track

The Boy's Track Team had a very productive season winning 6 of 10 meets. They placed runner-up in one track meet and 3rd in three meets. The three relays consisting of Tim Hutcheson, Michael Dobbins, Scott Watkins, Aaron McKinley, Travis Thompson, Stephen Ford and Mike Haggard were dominant at almost every track meet. The mile relay repeated as State Champion not losing a race all year. Sean Rust was successful in the High Hurdles and the Long Jump, while Shawn Lawson pulled in the points in the Pole Vault. They won their regional and qualified nine men to the State Meet. They were favored going into the State Meet, but with a few misfortunes, ended up a respectable third place.

GIRLS VARSITY TRACK

The varsity track girls participated in eight meets including the Regional and the State meets. After a slow start, the ladies improved individually as well as a team. The last two meets were the best for the ladies. At Regionals, the mile relay team of Marquetta Pierce, Angela Allen, Jodi Stephens, and Kim Anderson placed third and qualified for state. Lisa Self also qualified in the 100 hurdles as well as Anderson in the 400 meter run. Other members of the team were Stephany Ford, Jo Loper, Tammy Mangrum and Verletta Peters.

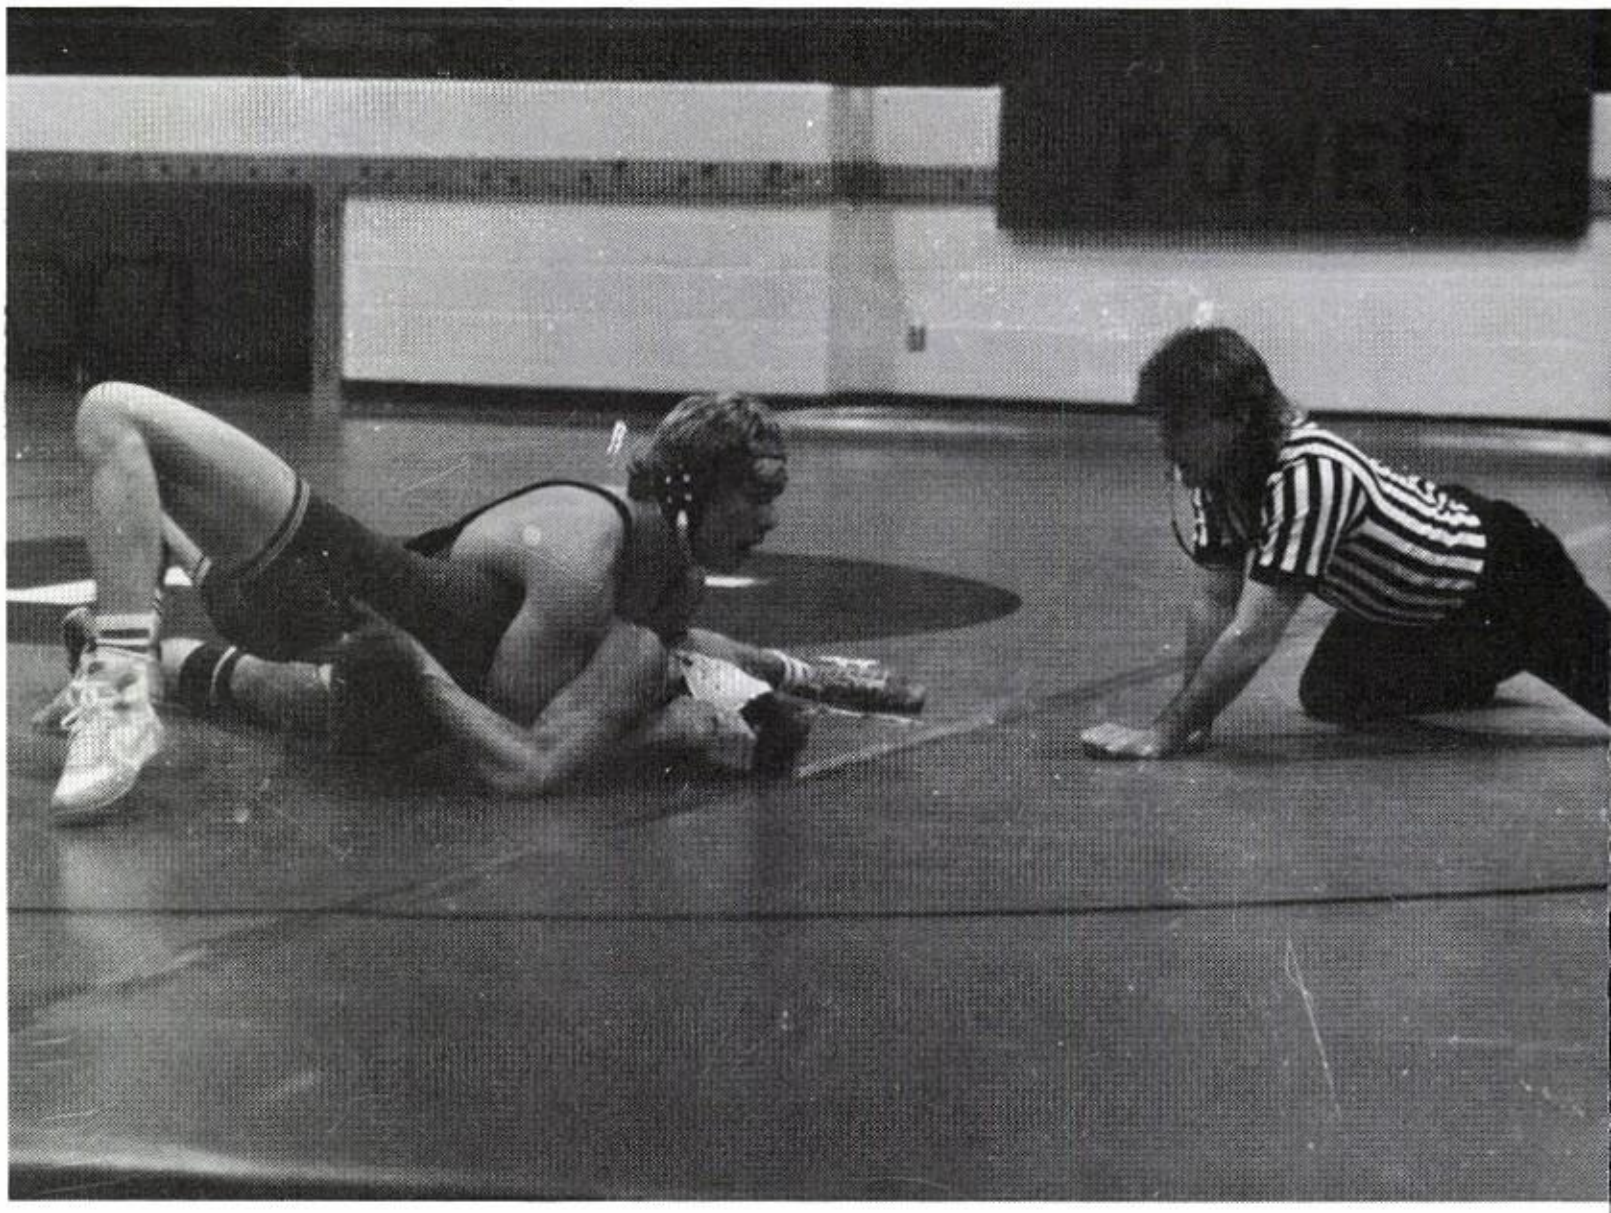
WATCH ME

This year there were only two freshmen girls in track, Kim Anderson and Marquetta Pierce. They both qualified for state, Kim with the 400 meter dash, Marquetta and Kim with the girls mile relay team. These young ladies show the superb athletic talent in Pauls Valley's track team.



Todd Spencer seals his victory with a winning hold.

Leadership And Support On The Mat

Coming out of the season with a 6 win, 10 loss record, many of the wrestlers showed great enthusiasm. Freshman Bryan Carlton, the only state qualifier, played an important role in making the team more unified. Coach Hume believes that with the leadership and support each wrestler gives his teammates and his position as coach that next year and in the years to come, there will be a lot of production made. The Junior High also provided a lot of support and members to the High School team.

To put it Simply . . .

the varsity cheerleaders had a "superior" year. At the Thunderhawk Clinic this summer the girls were awarded five superior ribbons, the highest honor a squad can receive in evaluation. They also were awarded the spirit stick three times and got to take it home. They were nominated for the award of excellence, the most prestigious award given at camp. The cheerleaders topped off their year with another superior ribbon at the Oklahoma State University Spirit Clinic.

It's An Honor

"The Freshmen cheerleaders with the help of Mrs. Solomon have had a great year. We were awarded two superior ribbons at camp and brought home the spirit stick. We put in many hours of hard work to do our very best as we cheered on our great athletes. We were all honored to represent them."

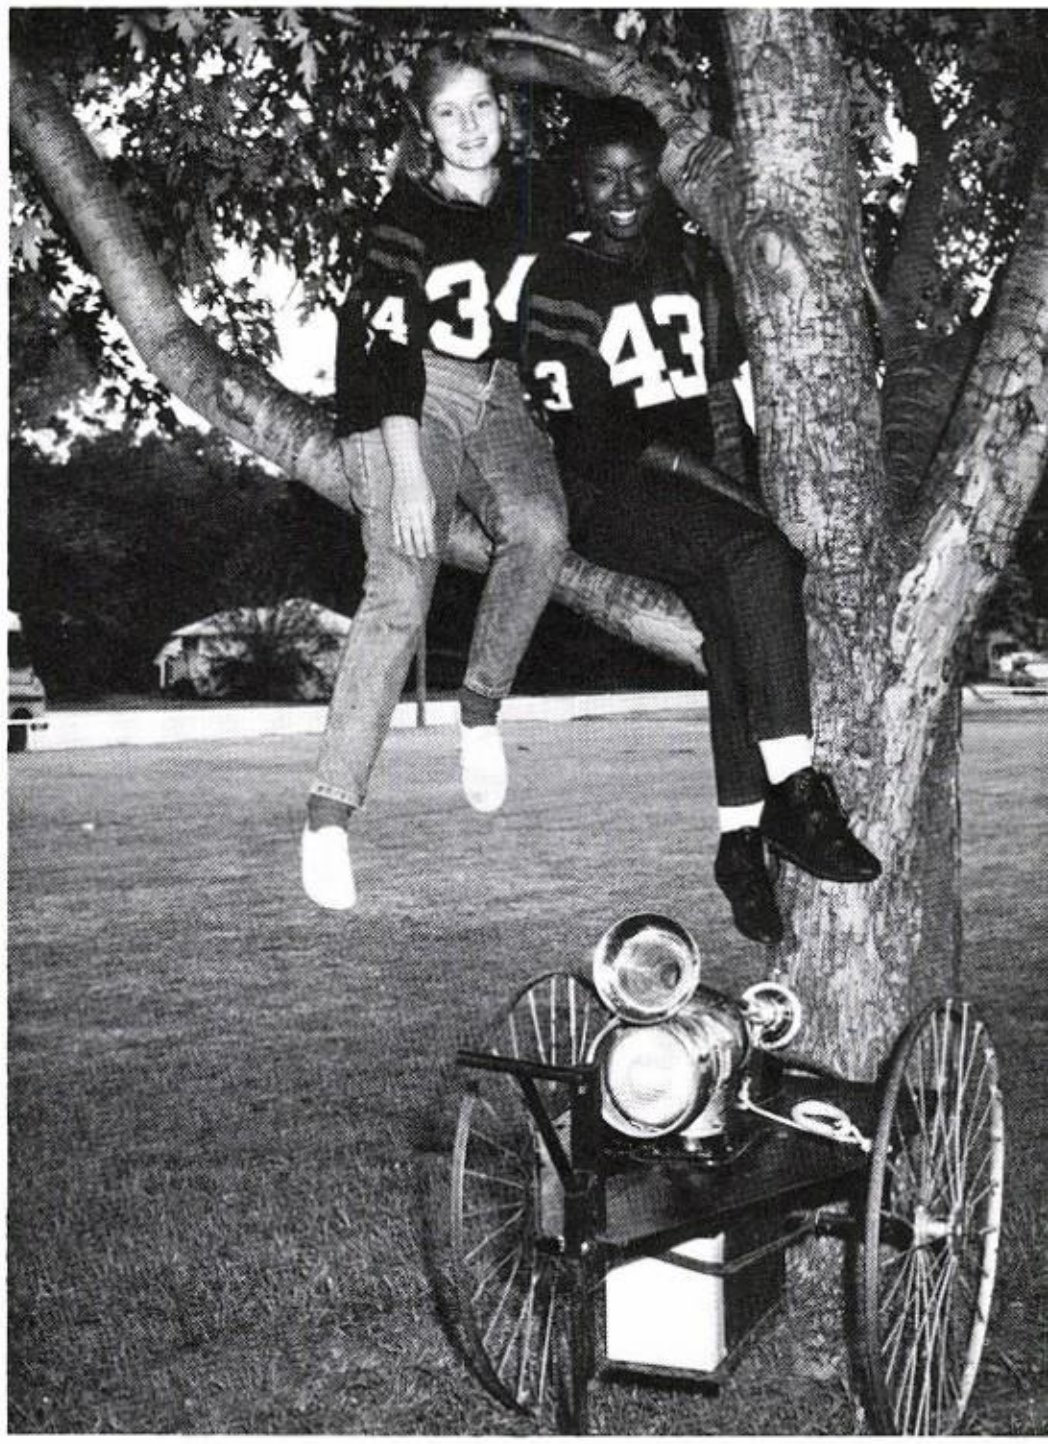
Spirit!

Our mascot, Tracie Peck, takes a breather from her many appearances to pose for us.



Jennifer Hubbard and Tammie Richardson were truly dedicated Panther People. Their dedication was evident through the many preparations necessary, such as filling the nitrogen tank, recharging the battery and transporting the siren itself to and from each football game.

"Being a mascot has really made my senior year interesting. I have found that to be a mascot you have to love kids, because from the time you walk in till the time you walk out their total attention is on you. To me that is the best part!"

Expressions

That's Life

You go through day to day
a bundle of nerves, worrying
constantly that something will
go wrong,
That's Life!

Everything is always changing
You can easily get lost and
Not knowing what's going on at all,
That's Life!

Your friends are there one minute
Then something stupid happens
and you're all alone,
That's Life!

You wonder if anything will
ever go the way you've planned.
Probably not.
That's Life!

-Stacee Perry

You Cannot Hug A Fantasy

You cannot hug a fantasy,
Or call a dream your friend.
For fantasies are drifting mist,
And dreams come to an end.
And always here inside me,
A feeling I need to share,
So I reach out to be touched,
And nobody's standing there.
Though but a second ago I couldve sworn
There stood a trusted friend,
But fantasies
Are but thin air,
And the brightest dreams
Will end.

-Marcie McGee

As I lay awake in my
bed at night, I think of
you and that final fight.
Those few words said, how
they hurt so much. Now I
wonder if we'll keep in
touch. Tears come to my
eyes as I think of you,
I never dreamed our love
would be through. Trying
to forget I just feel
all alone, then suddenly I'm
startled by the sound of the phone.

-Penny Wood

Writing Poems

What am I doing,
Writing poems?
Is that what you want to know?
Don't I have anything
Better to do?
Or someplace exciting to go?
I don't.
I'm really a poet at heart.
And I've been sitting alone,
Doing Nothing
For way too long.
With the poems bottled up inside
Wanting out.
But you can't make poems hide
In the corners of your mind
For too long.
So I'm letting them out for a run,
Letting them do what they want
With my imagination
At least this once.
So please, take your cynicism
And your narrow-minded attitudes
Away.
And let me take my poems
For a run
At least once,
Today.

-Marcie McGee

Our memories, like friendships,
sparkle and fade.
They drift through our lives
like a passing parade.

Some bring us smiles
and others bring tears.
Memories and friends, both
near and far, join to make us
what we are.

So farewell sweet and
painful past, and goodbye
to all my friends. I'll
see you on reunion day
when we once again
play pretend.

Our memories come and
then they fade. They
drift through our minds
like a passing parade.

Some memories bring smiles
and others bring tears.
They are not unlike
our high school years.

Our friends and foe
both near and far, join
to make us what we are.

So farewell sweet and
painful past, and goodbye
to all my friends. I'll
see you on reunion day
when we all play pretend.

Like the dusting of snow
on the ground below,
our memories come and
then they go.

-Carrie Clark

Because... Now You Are Gone

Remember the time when you tried
to teach me to drive your car
and Grandmother got mad because
I was only 10?
Will you teach me now?
... I guess not because now you are gone.

Remember when you picked me up after
school to go eat ice cream and I wouldn't
eat any because I was on a diet?
I've lost 10 pounds and I want some now.
Can we go get some?
... I guess not because now you are gone.

Remember the time you got mad at me
for climbing your freshly planted
peach tree that I up-rooted?
I never did say I was sorry.
Will you accept my apology now?
... I guess not because now you are gone.

Remember the time you brought
home all of that candy just for me?
I was so excited that I forgot to say
"thank you."
Can I say it now?
... I guess not because now you are gone.

Remember when you wanted me to go fishing
with you but I wanted to be with my friends
instead?
Can we go?
... I guess not because now you are gone.

Remember how many times I forgot
to tell you how much I love you?
You never forgot to tell me.
Can I tell you now?
... I guess not because now you are gone.

Blood, Sweat, and Tears

This publication was brought to you by your devoted and TIRED yearbook staff. You probably saw us walking around in circles, sporting a camera, and mumbling to ourselves about deadlines, chemicals, and layouts. We hope you enjoy this yearbook and cherish it forever. We did this for you and appreciate compliments and praise. If you didn't enjoy it, we don't want to know. Your criticism may just make us break into tears over all the hard work that was not appreciated. This yearbook will live in our hearts and minds forever (as a nightmare!), but we hope your high school memories will live forever in this book.
